## PICK FOAM FLIGHT CASE ABLETON PUSH 3

U93023BL

We, at UDG have further fined-tuned already a great design concept of our flight case into one specially for the most discerning creative performers. Constructed from aluminum thus providing an extremely stable structure with lighter weight compared to traditional flight cases. The inner sides are protected with pick & pluck foam, which allowing user to create individualized adapted compartments. The pick & pluck foam allow you to pluck out any desired shape you require for Ableton Push 3 and creating another slot beside for cable storage. This pick & pluck foam creating an easy, do-it-yourself customized system of case interiors.

The UDG Ultimate Pick Foam Flight Case Ableton Push 3 is designed to keep your Ableton Push 3 protected from accidental damage when you transport it to and from gigs. They're compact and lightweight yet tough enough to keep your gear safe.
