| Gewicht                | 1.79 kg                                                                                   |
| Material               | steel                                                                                     |
| Max. load capacity     | 25 kg                                                                                     |
| Mounting               | attaches to ceilings                                                                      |
| Spacing of holes       | from 70 to 76.2 mm                                                                        |
| Special features       | easy mounting by convenient hooking in and<br>screw locking;<br>internal cable management |
| Swivel                 | 90°                                                                                       |
| Type                   | black                                                                                     |

Robust and useful loudspeaker ceiling mount with 250 mm distance and internal cable management. The swivel area is  $\pm 45^\circ$ . Within the parameters - the settings range from 0 to  $45^\circ$ . The clamping bracket is for loudspeakers with a vertical mounting template from 70 to 76.2 mm. For other attachment possibilities additional adapter brackets are available. A mounting bracket with side and central cable management makes mounting to the ceiling easier.
